BLACK HORSE PLASTICS

SHAPING EVERYDAY LIFE SINCE 1976

For nearly five decades, Black Horse Plastics has been quietly present in homes, schools, businesses, and communities across Nigeria — delivering products that people rely on every single day. Our journey has been defined by an unwavering commitment to quality, innovation, and consistency.

Every Black Horse product is created with purpose, engineered for strength, designed with care, and built to endure. From essential household items to durable furniture and trusted educational solutions, our products combine practical performance with timeless reliability.

What sets Black Horse apart is not only what we produce, but how we produce it. Guided by experienced leadership, powered by modern manufacturing, and driven by a deep understanding of our customers, we have earned a reputation as one of Nigeria's most trusted and respected plastics brands.

Our greatest achievement is the confidence placed in us by generations of customers and partners who know that when they choose Black Horse, they choose certainty, durability, and peace of mind.

Proudly Nigerian. Built on trust. Designed for life.

Black Horse Plastics — Made to Last. Trusted for Generations.
